As a note, all ideas that are discussed in this meeting are under the auspice to look at every practice that exist and then have discussion if the idea fits the model of Chesterfield County; hence a large spectrum of ideas are generated from the committee.

Meeting Summary

Donald Green provided an overview of the last School Safety Task Force Meeting from June 12th, presentation is linked on resources.

The counterpart to the staff survey, the parent survey went out with 527 responses mostly from elementary schools. Concerns from the survey were bullying, active shooter and mental health. The full survey results are linked on resources.

There was a question and answer session with members of the community towards the working group.

Sub-Committee Reports

Security and Technology

Discussion was had to consider a proposal on school design to include a front foyer that would require forced entry to main parts of a school building.

Emergency Plans

Discussion ensued to make sure that emergency plans looked outside of school hours but also events after hours and on weekends that occur at many facilities.

Safety and Security

Much of the meeting was dedicated to discussion on armed security with Donald fielding questions from the public.

Closing

Donald tasked the group to work in their sub-committees to begin creating proposals that could be included in the white paper draft; also include cost. There was a spreadsheet developed for Committee members to sign up for topics of interest.

Meeting adjourned at 9:00 pm.
