Reviewed previous suggested recommendation regarding gun safety (from 8/20/18 meeting)

- Ms. Coyner brought the recommendation to the attention of the safety workgroup and John Erbach (school board rep facilitator)
- The workgroup included the recommendation on our proposed recommendation document under "Items discussed with no consensus."

Reviewed proposed revisions to recommendations generated from 8/9/18

- Made edits given whole group input

Prioritized List of Recommendations

- The group was asked to rank the proposed recommendations in order of priority.
- Initial ranking based on preliminary discussion: #5, #6, #2, #9, #4, #7, #1, #3, #8

Next Steps

- Ms. Bowman will provide links to research related to Recommendation #9
- Once Ms. Bowman's links are incorporated into the Recommendation document, Hope will resend the updated version of the Recommendations document. Hope will also send out a Google Form allowing all workgroup members to rank order recommendations by priority.
- Members should then complete the Google Form and then formally acknowledge whether they agree with the proposed recommendations or do not agree.

Other Issues Posed by Community Members to Workgroup

- Clarification on what Ryan's Bridge is - Ms. Coyner clarified that this was input provided by one of the workgroup members
- Clarification was requested regarding who would conduct the review from #1 - Ms. Coyner clarified that JLARC would conduct the review.
- Regarding anonymous vs confidential reporting, a community member advocated for anonymous reporting to increase the likelihood of students using the system and reporting the concerns.
- On recommendation #9, a community member suggested that we include the word "implement" in our recommendation.

Next meeting dates:

- TBD based on results of ranking of recommendations as well as workgroup members response to proposed recommendations
