

Digital Age Literacy in the CCPS Curriculum

Students today are graduating from high school and attending college in record numbers. It's up to parents and educators to ensure that they're truly spending that time well, developing the skills necessary for successfully living, learning, and working in the 21st century.

*“Information and communication technologies are raising the bar on the competencies needed to succeed in the 21st century.”
– 21st Century Literacy Summit (2002)*
