Field Trip Permission Form

School Year: 20 \_\_\_\_\_

Student's Name \_\_\_\_\_

Teacher \_\_\_\_\_

School \_\_\_\_\_

From time to time, classes take field trips as part of the school program. Field trips are taken to enrich the school program, to provide concrete examples, and to facilitate learning. It is our desire that parents be informed when children are taken on such trips. We feel that there should be parental approval for such activities.

To minimize paperwork, both for parent and teacher, we are asking that parental consent be given via this form for all field trips which your child may take this year with the class during regular school days.

The teacher will send home a notice of each trip to be taken, but it will not be necessary for the parent to respond each time. If you do not wish your child to participate in a particular field trip, you should contact the school when you receive notice of the trip.

I give my permission for \_\_\_\_\_ to participate in the field trips to be taken by the class this school year.
