

Who:

The SOL Academy is for any student who **passed** a class but did not pass the corresponding **SOL** end-of-course test. These are students who are planning to get a standard or advanced high school diploma.

The W!se Academy is open to any student who **passed** the Economics and Personal Finance (EPF) course, but failed the corresponding W!SE test and needs a CTE credential to graduate.

(Contact your student's school counselor if you have questions about diploma status.)

****Students taking Reading, Writing, Social Studies or Math will need to contact the testing coordinator at their high school about testing. Students taking W!se will test on the last day of the academy.**
