Providing the appropriate support for student throughout their middle & high school years are an important way school counselors ensure that Chesterfield County Public Schools are educating students for life.

To speak with your student's school counselor or to schedule an appointment, please contact the school's counseling department.

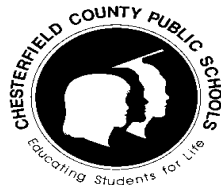

Educating students begins in the classroom. Additional information about school counseling services is available at

mychesterfieldschools.com

Counselors focus on **SUCCESS** by...

- ♦ Facilitating the transitions from elementary to middle to high school and on to post-secondary choices
- ♦ Providing counseling & classroom guidance services regarding:
 - * Academic progress
 - * Career and Transition planning
 - * Test interpretation
 - * Academic planning
 - * Problem Solving
 - * Post-secondary planning & career options.
