

Farm to CACFP

Farm to Child and Adult Care Food Program (CACFP) connects participants to Virginia grown agriculture while building their knowledge of and interest in healthy foods.

Food & Nutrition Education

Local Food Procurement

Gardening

Participating CACFP organizations can use their meal reimbursement on allowable costs, including gardening supplies, local food, and food education activities.

Benefits

- ✓ Improves meal service
- ✓ Connects participants to their food
- ✓ Encourages healthy eating habits
- ✓ Supports local communities and farms

How to get started and build a Sustainable Farm to CACFP Program

- Assess where you are and where you'd like to be
- Form a team
- Start small—set one or two achievable goals
- Promote your program—share with parents, through social media, and with VDH
