Midlothian High School Parking Guidelines for Student

- Student parking is permitted in the "student lot" **only**; this is the lot adjacent to the football stadium.
- During school hours, students are prohibited from parking in the following areas on school grounds:
 - in the lot immediately in front of the school
 - behind the school (including autoshop area and tennis courts)
 - at any of the athletic fields or weight room area
 - any place which blocks another vehicle or impedes the orderly flow of traffic or buses
- Lock your vehicle and leave your vehicle as soon as you park. There is no loitering in the student lot.
- You **MAY NOT** return to your vehicle during school hours. The parking lots are off-limits to students during the school day. If extenuating circumstances require you to go to your vehicle, you must obtain permission from the front office and be escorted into the parking lot.
- Vehicles in the student parking lot must display a Midlothian permit hanging from the rear view mirror at all times while on school property.
- All vehicles parked on school property must be registered with the school. It is the student's responsibility to notify the school of a change of vehicle or vehicle information. Students must come to the front office with their vehicle registration to fill out a New Vehicle Registration form.
- A **\$5.00** fee will be charged for a replacement permit.

- Students who are tardy to school should exit their vehicles immediately upon arrival, walk around the building via the walkway parallel to Charter Colony Parkway, and enter the school through door #1 **only**.

- Excessive tardies may result in the revocation of parking privileges.
- Failure to give buses the right-of-way will result in the revocation of parking privileges.
- Vehicles may be ticketed and/or towed for failure to display a current parking permit, for illegal parking, or for improper parking. Violations may result in the revocation of parking privileges and permits may be taken without refund.
- You may not switch exit lanes when leaving school in the afternoon.
- Only Seniors may park in the spaces marked “SENIOR”.

Additional regulations and information on parking are listed in the student handbook under “Transportation.”

Chesterfield County Public School Guidelines

In consideration for the privilege of parking in the parking lot of Midlothian High School (“School”), the undersigned student (“Student”) and his/her parents or guardians (“Parents”) agree to pay an annual fee of \$50.00 (\$25.00 Semester 2) and to abide by the following conditions:

1. The Student promises to obey all laws, policies, rules and regulations, both current and hereafter promulgated, pertaining to the Student’s use of motor vehicles on school grounds. In addition, the Student promises to obey all school rules and regulations pertaining to use of the school parking lot and driving on school grounds as well as the rules and regulations identified in the STANDARDS FOR STUDENT CONDUCT and the Student Handbook. Special school regulations are listed on this same form.
2. Any violation of any such laws, policies, rules and regulations by the Student, including this agreement, may result in the Student’s loss of parking privileges for the remainder of the school year and forfeiture of the annual parking fee.
3. The School disclaims all responsibility for loss or damage from fire, theft or any other cause to the Student’s vehicle or personal property contained therein while the vehicle is located on school property. The School specifically disclaims liability for loss or damage to Student’s vehicle or personal property contained therein resulting from the School’s negligence. This agreement provides only for the rental of parking space to the Student by the School and is not intended in any way to create a bailment with respect to the Student’s vehicle and the personal property therein.
4. The Student and registered owners of vehicles listed above agree to maintain, now and in the future, the minimum amount of liability insurance required by Virginia law on the described vehicle(s) at all times when the vehicle is parked on School property.
5. Approval of parking privileges on school property may be revoked at any time by the Principal, in the Principal's sole discretion, for good cause. Good cause shall include but shall not be limited to unsafe driving on school premises or while driving to or from school. In this regard, the Principal may request, at any time, a copy of the driving record of any student applying, or who has been approved, to park on the school premises. The student and his/her parents do hereby agree to provide the student's driving record when requested and understand that failure to do so shall cause parking privileges to be revoked.

Sign below indicating understanding and agreement of all the above terms and conditions. Offenders of county/school guidelines may have their parking privileges revoked and/or be towed at the owner’s expense.
