# FAMILY RESOURCE GUIDE

**Essential community resources for our CCPS students and families. Resources have been updated to reflect the recent COVID-19 Pandemic. Please call individual agencies for more information, or contact the School Social Worker at your child's school for additional assistance.**

**School Social Workers are trained mental health professionals with a degree in social work who provide services related to a person's social, emotional and life adjustment to school and/or society. School Social Workers are the link between the home, school and community in providing direct as well as indirect services to students, families and school personnel to promote and support students' academic and social success.**

**If you are in need of information on local food banks, CCPS meal accessibility, COVID-19 Information/Supports, Behavioral Health Supports, Social Services Updates, or other community based services, please visit this website:**

<https://sites.google.com/ccpsnet.net/ccpsschoolsocialwork/home>
