

Chesterfield County Public Schools
 Innovative. Engaging. Relevant.

September 2019

Dear Parent/Guardian:

Children need healthy meals to learn. Chesterfield County Public Schools offers healthy meals every school day. Student breakfast costs \$1.50 at all school levels and lunch costs: elementary schools - \$2.45, middle schools - \$2.55, and high schools - \$2.75. Your children may qualify for free or reduced price breakfast and lunch meals. Reduced price breakfast costs \$.30 and reduced price lunch costs \$.40. **For the 2019-2020 school year, families WILL NOT pay the cost of reduced price meals if approved at the reduced price level; meals will be free.**

All meals served must meet standards established by the U.S. Department of Agriculture. However, if a student has been determined by a doctor to be disabled and the disability prevents the student from eating the regular school meal, the school will make substitutions prescribed by the doctor. If a substitution is prescribed, there will be no extra charge for the meal. If your student needs substitutions because of a disability, please contact the nutritionist at (804) 743-3728 for further information.

All children in households receiving Supplemental Nutrition Assistance Program (SNAP) benefits or Temporary Assistance for Needy Families (TANF) are eligible for free meals. Foster children who are the legal responsibility of a foster care agency or court are eligible for free meals. Students who are eligible for Medicaid may also be eligible for free or reduced price meals based on the household's income. Children who are members of households participating in WIC may also be eligible for free or reduced-price meals based on the household's income. If your total household income is at or below the Federal Income Eligibility Guidelines, shown on the chart below, your child(ren) may get free meals or reduced price meals. Your child(ren)'s application from last school year is only good for the first few days of this school year. **YOU MUST SEND IN A NEW HOUSEHOLD APPLICATION FOR EACH SCHOOL YEAR.**

FEDERAL INCOME GUIDELINES: Your child(ren) may be eligible for free meals or reduced price meals if your household income is within the limits on the Federal Income Eligibility Guidelines chart shown below.

Households that are receiving SNAP or TANF for their children as of July 1 may not have to fill out an application. If you do not receive SNAP or TANF benefits for your child(ren), complete the application and return it to the school division. If you do not list a SNAP or TANF case number for the child(ren) you are applying for, then the application must have the names of all students, the names of all other household members, the amount of income each person received last month, and how often the income was received. An adult household member must sign the application and include the last four digits of their social security number. OTHER BENEFITS: Your child(ren) may be eligible for other benefits such as the Virginia children's health insurance program called Family Access to Medical Insurance Security (FAMIS) and/or Medicaid. The law allows the school division to share your free or reduced price meal eligibility information with Medicaid and FAMIS. These programs can only use the information to identify children who may be eligible for free or low-cost health insurance, and to enroll them in either Medicaid or FAMIS. These agencies are not allowed to use the information from your free or reduced price meal application for any other purpose. Medicaid officials or officials with FAMIS may contact you to get more information. You are not required to allow us to share this information with Medicaid or the FAMIS program. Your decision will not affect your children's eligibility for free and reduced price meals. If you do not want your information shared, please check the appropriate box in Section 6 of the application. You may qualify for other assistance programs. **To find out how to apply for SNAP or other assistance programs, contact the Department of Social Services at (804) 748-1100.**

CONFIDENTIALITY AND NOTICE OF DISCLOSURE: School officials use the information on the application to determine if your child is eligible to receive free or reduced price meals and to verify eligibility. As authorized by the National School Lunch Act, the school division may inform officials connected with other child nutrition, health, and education programs of the information on your application to determine benefits for those programs or for funding and/or evaluation purposes.

VERIFICATION: School officials may check your eligibility at any time during the school year. School officials may ask you to send information to prove that your child(ren) should receive free or reduced price meals.
