

Team Chesterfield families,

This message is for families with a student enrolled in a Chesterfield County middle or high school this fall.

Middle and high school students new to Chesterfield County Public Schools who have not been assigned Chromebooks can pick up their new device the week of Aug. 17. Chromebooks will be distributed at the 10 comprehensive high schools; see dates, times and site schedules below. High school students should go to their home high school. Middle school students follow the pairings below.

(Middle and high school students should NOT go to the elementary Chromebook distribution sites this week.)

Deployment dates 7:30-11 a.m. and 2:30-6 p.m.	Deployment location	Middle school students go to the adjacent high school site.	Middle school students go to the adjacent high school site.
